 \$349,000

I am grateful to the US Bankruptcy Court for giving me the opportunity to express my objection regarding the 363 master sale of old GM assets. All I want is to recover as much as possible from my hard earned retiring money over the years representing \$349,000 of GM corporate Bonds. The GM offer of 10% of new GM shares and the warrants of additional 15% are not equitable in comparison with the other GM stakeholders. I am hoping that the existing laws will be respected, and the justice will be served in this bankruptcy case. Currently I own following GM Bonds

Custodian	Cusip	Description	Qty	My Cost
Fidelity Roth IRA	370442AJ4	GENERAL MTRS CORP SR NT 8.80000% 03/01/2021	91,000	\$99,069
